JUNE 15-16, 2021

DUBAI WORLD TRADE CENTER, UAE

EVENT GENERAL
HEALTH & SAFETY MEASURES

YOUR HEALTH & SAFETY IS OUR TOP PRIORITY

As one of the first few cities in the world to safely and effectively restart the events sector, Dubai has become a global case study in hosting live events, further reinforcing the emirate's position as an international events hub and one of the world's safest destinations.

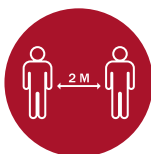

Event organisers have made the health and safety of attendees their top priority and are committed to ensuring there is full compliance with the wide range of precautionary measures implemented at events. In December 2020, Dubai successfully held the largest live, in-person global tech event since the pandemic hosting 1,200+ private companies + Government entities from 60+ countries. We are ready to welcome you to at the Dubai World Trade Center.

MRO MIDDLE EAST STRICTLY ADHERES TO ALL RULES AND REGULATIONS LAID OUT BY GOVERNMENT AUTHORITIES, INCLUDING DUBAI HEALTH AUTHORITY AND DUBAI MUNICIPALITY TO ENSURE THE HEALTH AND SAFETY OF EVERYONE ATTENDING THE SHOW.

As we get ready to welcome you in June 2021 and with minimum impact on your event experience, the following Event Safety Measures have been put in place for an assured and secure visit. For your own safety, compliance is legally required in all areas; a team of our health & safety staff will be happy to assist you across the venue.

Our program of enhanced measures will provide all with the assurance and confidence that our industry's shows and events have health and safety as our number one priority.
