CONNECTING AIRLINE BUYERS WITH THE SUPPLY CHAIN

MRO Middle East and Aircraft Interiors Middle East is the region's largest event serving the commercial aviation aftermarket, taking place annually at the Dubai World Trade Centre, UAE.

The 2024 event welcomed a record-breaking crowd of over 7,500 attendees. With the addition of a new hall, 250 exhibitors from around the world displayed their products and services to buyers from across the supply chain over two days.

The free to attend Go Live! Theater, which takes place on the show floor, features over 80 expert speakers across a two-day programme, enabling attendees to learn, debate and discuss the hottest topics and challenges facing the regional maintenance and aircraft interiors market.

SHOW FEATURES

AIRLINE BUYERS LOUNGE

Providing the opportunity to network with senior management from airlines onsite throughout the 2 days. By invitation only.

GO LIVE! THEATER

The Go Live! Theater brings global leaders and regional experts together to discuss key themes in the industry. With presentations, panels, case studies, and Q&A sessions, the free-to-attend sessions enable all attendees to delve more deeply into the developments in the market.

NETWORKING LOUNGE

Open to all, the networking lounge is the ideal place for ad-hoc meetings, catch up on emails or take a refreshment break.

MEETING AREA

We have added a dedicated area for 1-2-1 meetings to take place. Meetings can be booked via the event app, allowing you to more easily find your prospect and guaranteeing a table and chairs to conduct the meeting in a quieter area, away from the busy networking lounge.

NETWORKING CLOSING RECEPTION

The Closing Reception is your perfect opportunity to continue networking once the official business has finished in a more relaxed setting. Open to all event attendees and exhibitors.
