# Show Schedule

## Introduction

### Early Access / Late Working

Early Access from 00:01hrs on 08 February onwards (official buildup starts 08:00hrs) available for US\$3,000.  
Late Working / Overnight work from 20:00hrs on the 08 February till the morning of 09 February available for US\$2,000. Please contact [liv.reid@aviationweek.co.uk](mailto:liv.reid@aviationweek.co.uk) to make an enquiry.

Please note for the **build-up & breakdown**:

-Safety footwear and PPE must be worn during build-up / breakdown (no open -toed shoes) and hardhats must be worn when required.

- Your stand's electricity will be turned off 30 minutes after the show closes. Temporary electrics can be ordered through Freeman for build-up and breakdown

-Please keep all gangways clear of stand furnishings, supplies, and boxes. The gangways need to be clear for the carpet to be pulled up and installed.

-Empty containers will begin to be returned after the gangway carpet has been installed and pulled up on breakdown.

- You must leave your stand swept clean and remove all floor tape. Any remaining waste will be removed and billed back to the exhibitor.

### HEADLINE SITE RULES

1. The way you work and the equipment and materials you use must be safe.
2. Suitable PPE must always be worn. Appropriate footwear must be worn as a minimum.
3. Smoking, alcohol, and drugs are prohibited from site.
4. A permit must be given by the Site Manager before any "hot" works.
5. All accidents and incidents must be reported to the event organizer.
6. Good housekeeping is always required.

### STAND CONSTRUCTION

- It should be possible to reach and leave stands (places of work) safely.
- A fire extinguisher must be kept within reach when conducting work that poses a fire risk.
- Combustible items or parts of a stand must be shielded from the work.
- The task of connecting stands to the Convention Centre power supply is entrusted to a recognized electrical contractor used by Fira Barcelona. Power may not be generated in any other way.

### FALL PROTECTION

People working at a height of above 2.5 meters or at heights where there is a risk of falling are obliged to wear fall protection equipment: a body harness, hook, and lifeline with fall protection.

# Booth Equipment

## Booth Design/EAC/Contractors/Display Rules

*All Island and/or raw-space booths must submit their plans online [here](#) no later than 10<sup>th</sup> January.*

The organisers have partnered with BLG Event Management to oversee the space only stand review process. This to enhance health & safety and to mitigate the risks involved with space only stand construction. This independent review process has a set fee of US\$250 per stand for non-complex stands and US\$700 for complex stands over 4m height in height and double decks.

### **Stand review process carried out by BLG:**

- Collate stand designs via portal
- Review stands
- Review structural calculations (where applicable)
- Liaise with the venue for approval
- Grant permission to build certificate - (subject to all review fees being paid)
- Collect Performance Bond (refundable security deposit)

### **Space Only - Stands (Built by You)**

You will be expected to produce a professionally built custom stand with a high level of finish and safety compliance and one that is in line with the high-quality, professional nature of the event. Permission to Build is only an authorisation to start building the stand - regular checks will be made on each stand to ensure the appropriate use of materials, structural integrity, etc. If our safety advisors are concerned about the above in any way, we reserve absolute right to terminate any stand construction.

### **PLEASE NOTE THAT IT IS NOT ALLOWED TO FIX YOUR BACK WALLS INTO NEIGHBOURING STANDWALLS**

It is the responsibility of the exhibitor to examine the area and site allocated to them to avoid costly adjustments to stand structures. Where possible the Organisers will provide on request detailed stand plots indicating the position of service ducts and pillars. Minor obstructions or height restrictions cannot always be indicated on the plans of the exhibition.

Stand fitting regulations contained within this section must be observed when planning stand design and layout.

### **Double Story Stands**

Double Story stand must be booked and paid for directly with the relevant Sales Manager. No foundations may be drilled into the floor and suitable anchorage must be installed. Double storey stands are only permitted on island sites.

All two storey stands are classified as complex structures and must abide by the same regulations.

All stand designs will be subject to the resident engineer's inspection with an administration fee of **US\$700** for double decker stands.

### **Complex Structures**

A complex structure is any form of construction of any height, which would normally be designed by an engineer and/or has, through a risk assessment, been found to provide significant risk. Structures that are 4 metres in height or above, multi-level stands, raised platforms and all suspended items are complex structures.

All stand designs will be subject to the resident & independent engineer's inspection with an administration fee of USD\$700 for all complex stands.

All complex structures are subject to a pre-show plan approval and on-site inspection by our structural engineers. Please note permission to enter the exhibition premises and commence construction will not be permitted without the full approval of the structural engineer and receipt of signed contractors undertaking form.

Stand build progress will be monitored continually by on-site health & safety officers who reserve the right to halt stand build progress should any issues arise. The Organisers reserve the right to deny access and prevent work being carried out by, or on behalf of, any exhibitor who has not submitted stand design drawings in accordance with these regulations.

Request for the **Space Only Rules & Guidelines** that contains detailed information of the following:

- Aisles & Gangways
- Alterations to stand structures in non-compliance with regulations
- Demonstrations
- Doors / Windows / Storage Rooms / Meeting Rooms
- Enclosed Stands
- Fabrics Used in Displays
- Fire Appliances and Information
- Flooring
- Floor Loading Restrictions
- Floor Markings
- Height Restrictions
- Hot-Working (Grinding & Welding)
- Late Working (Extra Build Up Hours)
- LPG - Liquefied Petroleum Gases (Propane, Butane, etc.)
- Maintenance
- Open Flames
- Organisers' Right to Change Stands and Floor Plan Layout
- PPE (Personal Protection Equipment) Requirements
- Signage
- Structural Performance Specifications
- Walling
- Working at Height
- Work Equipment and Tools
- Vehicles (Exhibits & Displays)

**Stand Submission for review**

- All stand plans need prior approval. Please upload the following as part of your submission:
- Heights, widths, and lengths of structure
- Full final visuals of structure/stand.
- Staircase details including handrails (Double Deck Stands & Outdoor Pavilion Only)
- Risk Assessment (RA) & Method Statement (MS)
- Contractor details form
- Contractors Insurance PLI (Public Liability Insurance) copy to the value of USD2,000,000.
- Details of any exhibits with moving parts, together with how they are to be guarded against causing injury.
- Full Structural Calculations: load bearings, beams & columns working to the venue codes in Structural Calculation/ Performance Specifications for complex stands section. (Double Deck Stands & Outdoor Pavilion Only)

All stand plans must be submitted online [here](#) for BLG Event Management to review

## SHELL SCHEME GENERAL GUIDELINES

- ALL internal stand fitting and displays are contained within the shell scheme structure and do not exceed 2.5 meters in height.
- No display materials or logos may be fixed to the shell scheme fascia panel. No fixings may be made to the walls by piercing or screwing anything onto the panels or beams.
- Exhibitors may affix lightweight photographs and technical information sheets etc. direct to the shell scheme walls with good quality double-sided adhesive pads or similar, provided such material can be removed without damage to the wall panels, any damage made to the panels will result in a charge.
- Exhibitors that purchase stands as shell scheme are not permitted to remove the shell scheme and build their own structures. Raw space booths are a minimum of 18sqm.

## Fascia

The fascia is the name board that sits at the top of your stand and will carry your Company Name and Stand Number.

## Removing Fascia and Gridwork

- The fascia and/or gridwork can only be removed from your booth with permission from show management.
- Show management will determine if removal is possible based on location and structural integrity of the adjoining booths.
- All companies removing fascia and/or gridwork MUST submit plans for approval from show management.
- No shell scheme booth can exceed the 2.5-meter height limit regardless of whether fascia and gridwork have been removed. This includes signage, furnishings, lights, etc.

## Display Rules

### SHELL SCHEME (IN-LINE) BOOTH (Min 9sqm)

- Arranged in a straight line.
- Has neighbors on either side (in-line)
- One side exposed to aisle (in-line)
- Two sides exposed to aisle (corner)
- Maximum wall height is 2.5m
- Hanging signs are not permitted.
- Shell scheme framework cannot be removed

### SPACE ONLY (IN-LINE) BOOTH (Min 18sqm)

- Arranged in a straight line, or back-to-back with a neighbor (a 36 sqm island split into two 18sqm booths)
- Has neighbors on either side
- One side exposed to aisle (in-line)
- Two or three sides exposed to aisle (corner)
- Maximum back wall height is 2.5m, can go up to 4m with show management permission.

Design must include a solid wall separating booth from adjacent booth. Wall must measure complete length of the booth and be 2.5m high (can go up to 4m with show management permission)

- The back wall must be cleanly “finished” and painted.
- Hanging signs are not permitted.
- All raw space booth plans must be approved by show management.

# Display Rules

## Booth Design/EAC/Contractors/Display Rules

### Island Booths

- Any size booth exposed to aisles on all four sides.
- Hanging Signs are permitted. Rigging must be completed by the official contractor.
- The entire cubic content of the space may be used up to the maximum allowable height, which is 4 meters, or 6 meters with Show Management's approval including signage.
- All raw space booth plans must be approved by our appointed Health & Safety BLM.
- Additional approvals and guidelines may be required by the venue.

### General Decorating Guidelines

- **Any portion of a display that extends above or beyond that of the booth adjoining to the rear or side must be finished with paint or drape at the Exhibitor's expense. Any portion of an Exhibitor's booth facing an aisle must be finished.**
- Drip pans and scrap buckets should be provided for operating machinery to prevent lubricants, paints, etc., from staining the floor causing a slippage hazard.
- Painting may be done inside the exhibit hall if dropped cloths are used to prevent any damage to the building. No spray painting is permitted inside the exhibit halls. Spray painting may be done outside if drop cloths are used to prevent any damage to sidewalk, dock, grass, buildings, etc.
- Paint must be removed nightly, and all cans must be tightly closed to prevent their contents from staining the floor, causing a slippage hazard, and tracking of paint, etc., over another Exhibitor's carpet.
- Exhibitors are liable for any damage they cause (or third party authorized by them) to the walls, floors, columns, doors, windows, etc., during the installation, operating and dismantling of their exhibits.

### Lighting

- Exhibitors must adhere to the following suggested minimum guidelines when determining booth lighting:
- No lighting, fixtures, trusses, or overhead lighting are allowed outside the exhibit space. Exhibitors intending to use hanging light systems must submit drawings to exhibition management for approval.
- Lighting, including gobos, must be directed to the inner confines of the booth space. Lighting should not project onto other exhibits or exhibition aisles.
- Lighting which is potentially harmful, such as lasers or ultraviolet lighting, must comply with facility rules and be approved in writing by exhibition management.
- Lighting that spins, rotates, pulsates, and other specialized lighting effects must be in good taste and not interfere with neighboring Exhibitors or otherwise detract from the general atmosphere of the event.

- Currently some convention facilities are not allowing quartz halogen lighting fixtures in exhibits due to potential fire hazards. Check with exhibition management.
- Reduced lighting for theater areas must be approved by the exhibition organizer, the utility provider, and the exhibit facility.

### **Carpeting**

- The use of carpeting or other professional floor covering is required by each Exhibitor. These floor coverings must not be sealed to the floors to injure the floor or be installed as a hazard to public safety or to endanger the public. Exhibitors are responsible for the final condition of the floor in their space. The edges of raised flooring may be inclined, providing the slope is gradual and gentle.
- If an exhibitor sets their booth without floor covering, carpet will be ordered at the exhibitor's expense.
- If the exhibitor will be setting up late and is bringing their own carpet, they must notify show management or carpet will be ordered at exhibitor's expense.

## Display Rules

### Booth Design/EAC/Contractors/Display Rules

#### **Structural Integrity**

All exhibit displays should be designed and erected to withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as forklifts. Displays should also withstand moderate wind effects in the exhibit hall when freight doors are open. Refer to local building codes that regulate temporary structures.

#### **Flammable and Toxic Materials**

All materials used in display construction or decorating should be made of fire-retardant materials and be certified as flame retardant. Samples should also be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate should be available for inspection. Exhibitors should be aware of local regulations regarding fire/safety and the environment which must be adhered to.

Exhibitors should dispose of any waste products they generate during the exhibition in accordance with guidelines established by the Environmental Protection Agency and the facility.

#### **Storage**

Fire regulations in most exhibit facilities prohibit storing products, literature, empty packing containers, or packing materials behind back drapes or under draped tables. In most cases, however, exhibitors may store a limited supply of literature or product appropriately within the booth area, so long as these items do not impede access to utility services, create a safety problem, or look unsightly.

# Exhibitor Approved Contractors (EACs) Booth Design/EAC/Contractors/Display Rules

## Exhibitor Appointed Contractors (EACs)/Stand Builders

An Exhibitor Appointed Contractor (EAC) is any company other than Aviation Week's official service contractors. Exhibitors are responsible for informing all appointed contractors of the rules, requirements, and regulations and for ensuring their compliance. All outside vendors must fulfill the following requirements.

Any exhibitor must ensure that non-official vendors hired to perform any of the following services at Aviation Week's event must comply with the rules, requirements, and regulations.

- Audio Visual
- Carpet Rental / Flooring
- Computer Rentals
- Exhibit Rental/Booth Rental
- Exhibitor Marketing
- Floral
- Furniture
- Installation & Dismantling / Display Labor / Supervision
- Personnel / Temporary Help / Models
- Photography / Video / Film
- Security / Guard Service
- Transportation / Freight Carrier

Note: for electrical, plumbing, internet, telephone, cleaning, drayage, rigging – the exhibitor and/or EAC must utilize the official vendor designated by Aviation Week.

If an exhibitor plans to use a firm other than the "Official Show Vendor," please fill out the Aviation Week Exhibitor Appointed Contractor form (EAC). The form can be found here: <https://fs2.formsite.com/AW-Events/form58/index>

**\*\*This form must be completed and returned to Aviation Week no later than four (4) weeks prior to the event.**

### Important Notes:

EACs should supply a list of all full-time employees who will be installing, dismantling, or working in the exhibiting company's booth. Aviation Week management also requires that exhibitor appointed contractors furnish a list of all subcontractors they will use during installation, show days and dismantling. Any company that is not an approved exhibitor appointed contractor or does not appear on an appointed exhibitor contractor's list of approved subcontractors will be denied access to the show floor. Exhibitor appointed contractors must collect the proper COIs from their subcontractor(s) and maintain the original certificates (photocopies and faxes are not acceptable) on file for review by Aviation Week management.

In addition to this, any person present in the exhibition halls and loading area during build-up and breakdown must present a valid digital pass. These passes can be obtained from the [Contractor+ Portal](#), the DWTC centralized system for online applications, payments and pass management. If you have any queries please contact the team directly at the DWTC on [accreditationliason@dwtc.com](mailto:accreditationliason@dwtc.com) or call +971 04 306 4816.

## Exhibitor Approved Contractors (EACs) Booth Design/EAC/Contractors/Display Rules

- All EACs and all subcontractors must always display company ID with photo while on property.
- All EACs agree to abide by the rules and regulations set forth by Aviation Week in the exhibitor terms and conditions and the Exhibitor Resource Center. EACs may operate only out of the confines of their client's booth. Separate service desks and/ or work areas, storage areas or other work facilities will not be permitted at Aviation Week's event. The show aisles and public space are not part of the Exhibitor's booth space.
- All EACs must comply with local labor agreements and practices and may not commit any acts that could lead to work stoppages, strikes or labor problems.
- All EACs must adhere to the move-in, move-out schedule. Exhibitors will be responsible for any additional expense incurred by Aviation Week should deadlines not be met.
- Exhibitors are liable for restoring their exhibit area to its original condition (i.e., free of any tape, debris, and other remnants of use)
- All personnel under the employment of the EACs must obtain wristbands. Bands will not be issued until insurance requirements are met.
- The exhibiting company is responsible for ensuring that each EAC adheres to all official rules and regulations of the Event as set forth by Aviation Week.
- Not all EACs will solicit business on the Show Floor.
- Use of electric scooters is prohibited.
- While aisle carpeting is being installed, containers, jockey boxes, ladders and any other equipment must be removed completely from the show floor.
- EAC may photograph client booth(s) only.
- EAC is prohibited from using the MRO Show name, logo, or any likeness to promote or market its own activities.
- The EAC is responsible for the actions and activities of any of its subcontractors.
- EAC will not establish service desks anywhere inside the exhibit hall. The EAC will utilize space as designated by Show Management, outside the exhibit hall.
- The EAC is responsible for adherence to the Exhibitor Rules & Regulations and the Display Regulations & Height Restrictions.
- Provide adequate notice to Show Management of the exhibitors who have retained them and the services to be performed for each exhibitor.
- Have a true and valid order for service from an exhibitor in advance of the Show setup date and in their possession on-site.
- All safety guidelines are to be observed.
- EAC must always be dressed in suitable attire.

### **Space Only Exhibitors - Stands (Built by You)**

Electricity is not included in the space-only stand package. Please place your order for your electrical requirements through the official supplier GES.

### **Shell Scheme Exhibitors - Stands (Provided by Us) / Turnkey Package**

- 3 x LED arm lights per 12sqm
- 1 x 3-pin 500-watt electrical socket per stand
- Mains Power Supply and consumption
- You can order additional requirements through the official supplier GES

### **IMPORTANT:**

The official contractors appointed by the Organizers are the only individuals permitted to carry out electrical installations. The official contractor for electrics to space only stands is GES. Orders must be placed through their ordering platform prior to the exhibition. Please note that your order will not be processed until payment is received. Build up and/or 24hrs power, if required, must be ordered separately.

When completing the Electrical Order Form, the item location should be clearly marked on the grid plan. If you have not submitted a grid plan, your electrics will be placed at the discretion of the electricians, if you require these to be moved once installed, onsite charges will apply.

### **Exhibitors installing their own power connections to their displays for general lighting and power sockets must ensure that:**

- The main cable is connected to a suitable type of distribution box
- The main switch should be an ELCB
- All wire joints are in connectors and concealed in junction boxes. No twisted wire joints are permitted
- All wires in exposed areas are protected in PVC trunking. Running wires under the carpet or across open areas is not permitted.

### **If the power supply ordered is to be connected to machines and equipment exhibitors must ensure that:**

- A suitable type of isolator or ELCB is provided between the main cable and the cable from the machine / equipment.
- If the machine / equipment has its own isolator, then the main cable can be directly connected to it.

Exhibitors installing their own power connections to their displays must also ensure such installations conform to the IEE Regulations and will be subject to inspection and approval by the official electrical contractor before connections to the mains supply.

**The Organizers reserve the right to disconnect any installation that is dangerous or likely to cause annoyance to visitors or other exhibitors. Please contact the official contractor GES to inquire about the standard supplies of electrical current available in the exhibition halls.**

The provision of a single-phase mains supply terminal by suitable switchgear is included only in the shell scheme contract. Three phase supplies and 24-hour connection can be ordered at an additional charge on the relevant form.

General lighting is provided in the hall but is not powerful enough to provide adequate stand illumination. Exhibitors are advised that specific illumination of their stands is considered essential to achieve an effective display. For additional lighting please order this through GES. **Please note that the electrics to stands are switched off 30 minutes after the exhibition closes, please arrange 24-hour power, should you need it.**

## Access & Venue

### Exhibitor Services

#### **Access to the venue:**

##### **By Plane**

Dubai International Airport is only 10km from DWTC and is the regional hub for air transport with over 150 passenger airlines serving over 200 destinations. Neighboring Sharjah Airport is a base for regional and international budget airlines and is a 40 minutes' drive from the city of Dubai. Abu Dhabi International Airport is just over an hour's drive away and covers comprehensive regional and international services.

##### **By Metro Train**

The station 'Dubai World Trade Centre' is on the Red Line within Zone 5. Trains run every 7 minutes and with options such as Park and Ride or feeder buses connecting various neighborhoods to the metro. Using the metro not only saves you time and reduces traffic on the roads, but also lowers our carbon footprint, which helps us work towards a greener environment.

#### **Station opening times:**

- Monday to Thursday: 05:00AM to 01:15AM
- Friday to Saturday: 05:00AM to 02:15AM
- Sunday: 08:00AM to 01:15AM

The metro operational times are subject to change. For further details on Nol Cards and Nol tickets please visit <http://www.nol.ae>

##### **By Public Bus**

For an up-to-date bus schedule that serves the area around the DWTC please visit the Roads & Transport Authority (RTA) website or call RTA's call Centre on +971 800 9090.

##### **By Taxi**

Metered taxis across the city are easy to find, well-regulated, clean, and comfortable. Those that prefer to, can opt for ladies-only taxis driven by women. The taxi rank is next to the Ibis Hotel at Exhibition Plaza.

More information on Dubai's taxis can be found on National Taxi and Cars Taxi.

##### **By Car**

If you are travelling by car, DWTC has direct access from the city's main highway, Sheikh Zayed Road. Within the DWTC complex, take advantage of our extensive multi-Storey parking facilities for around 5,000 cars.

#### **Animals**

Animals are not permitted during build-up, opening & breakdown periods. However, exceptions made for accredited 'assistance' animals - please contact the Operations Team in advance for more details or come to the Organizer's Office during the event.

#### **Balloons**

The use of helium balloons (Blimps) and toy balloons is not permitted anywhere inside the exhibition halls.

#### **Banking Services**

Banks and ATM facilities are available within the DWTC in Concourse 2.

#### **Business Centre**

Desco Printing is in concourse 1 between exhibitions halls 2 and 3. Contact DESCO on +971(0) 4 223 4277 or visit [www.descoonline.com](http://www.descoonline.com)

#### **Children**

Local Authority regulations prohibit the presence of children under 16 in the halls during build up, event days

and breakdown. The exhibition is a trade event, and the nature of the exhibits will reflect this, as such it is not a suitable environment for children. There are no childcare facilities at this event.

### **Damage & Theft**

Please ensure all valuables are always safe. The Organizers have a dedicated and experienced security contractor who will ensure the security of the event; however, it is the exhibitors' responsibility to ensure the safety of valuables during all periods of the event. Laptops, mobile phones and other electronic items are attractive to thieves and therefore please pay particular attention to the security of these items.

**The Organizers and the venue DWTC will not be held responsible for any loss or damage to stands or exhibits.**

In the event of a theft or damage, we must ask you to report all incidents to the Organizer's Office and to the Police within 24 hours of the incident occurring or becoming known.

### **Dilapidations**

Exhibitors and their contractors are advised that no fixings, alteration, or damage must be made to any part of the permanent premises, except by DWTC's own staff. Any damage to walls, columns, floor, shell schemes, hired accessories or other parts of the premises will be charged to exhibitors, and you should know that the costs are likely to be substantial. Please ensure that any contractors that you employ are aware of this as well as those connected to your presence at the show as any costs incurred will be levied directly to you.

### **Disabled Facilities**

The exhibition hall, meeting rooms and public areas will have disabled access. There are also disabled toilets on site which are clearly signposted. An allocation of parking bays will be reserved for disabled drivers, please note that parking passes are still required for access to these bays. For further information please contact the Operations Team. Visitor wheelchairs are available from the Emergency Medical Services Centre and are subject to availability.

### **Draw / Raffle Draw**

Exhibitors wishing to perform a raffle draw must fill in the venue draw application form before the event, at least 2 weeks prior. Permission to hold any Raffles must be obtained directly from DED, irrespective of the value of the prizes. Please contact the show operations team for details and assistance.

### **Fire Appliances and Information**

The venue will be providing fire patrols during all phases of the event. Fire extinguishers of approved pattern and capacity can be found at various locations around the site according to the risk involved. Instructions will also be supplied, please locate your nearest extinguisher. Exhibitors will be given instructions regarding fire, emergency, and accident procedures prior to the show opening, please ensure all personnel read these carefully.

### **Fire Exits and Extinguishers / Fire Hose points must never be blocked.**

No paint or paint thinner can be placed near the electrical distribution boxes.

Empty cartons/boxes, stand materials and combustible waste must be disposed of and not stored behind stands.

Contact the operations team to request a copy of the venue Emergency Procedures and Evacuation Plan.

### **First Aid Services**

DWTC maintains a safe and healthy environment for everyone on their premises, provided by their dedicated Emergency Medical Services (EMS) division. Their professionally certified and highly skilled medical team provides rapid emergency response, from immediate care for trauma, injuries, and medical conditions, to speedy hospital transport.

During large events, our EMS station is located in the main concourse between Halls 4 and 5, near the Visitor Information Desk by Exhibition Gate entrance and depending on the scale of the exhibition, the Za'abeel Concourse.

**Operating hours:** The EMS team is available from 08:00 to 22:00 during build-up and tear-down. During event days, this service is operational from 1 hour prior to the event's start to 1 hour after it closes.

**Contact details:** If you need assistance during your time at DWTC, please call +971 4 306 4040 to speak to the on-duty medic or call Command Control Centre on +971 4 306 4600 / +971 4 308 6212 for assistance. If you have no telephone, you can speak to the nearest member of the security staff, who will assist you.

**Hospital Information:** For insured patients who choose to go to a private hospital, the nearest one is the American Hospital (Tel: +971 4 377 6699). Patients who wish to be brought to a private facility will have to coordinate with said hospital to ensure they will accept the case / patient. A transportation fee will be applicable.

The nearest government trauma Centre is the Rashid Trauma Centre which is about 7-10 minutes from the venue subject to traffic conditions.

Medical patients via ambulance (not emergency cases) are normally taken to Dubai Hospital in Deira, 10–15 minutes away.

Emergency cases to government hospitals are transferred free of charge.

Hospital	Area	Contact Number	Address	Remarks
Rashid Trauma Centre / Rashid Hospital	Bur Dubai	+971 4 2191000	P.O. Box 4545, Dubai, UAE Oud Metha Road, Umm Hurair Secon	Trauma / Medical
Dubai Hospital	Deira	+971 4 2195000	P.O. Box 4545, Dubai, UAE Al Khaleej Road	Medical / Trauma
Al Baraha Hospital	Deira	+971 4 2710000	P.O. Box 22241, Dubai, UAE Al Khaleej Road	Medical / Trauma

### **Floor Loading Restrictions**

The hall floors are concrete covered with carpet. Please contact the operations team with details of heavy exhibits, as special arrangements may need to be made. The exhibition hall and site floor must not be damaged in any way. There is a maximum distributed weight loading of 350 kgs per m<sup>2</sup>. If you are exhibiting any heavy items, please inform the operations team as soon as possible to arrange delivery.

### **General Rules**

The Organizers and their official contractors reserve the right to prohibit the use of any material or process they consider contrary to the health, safety, and welfare of the event. Likewise, we expressly prohibit the use or display of any material or process that we consider contrary to the overall good or that they consider might bring the good name of the event into disrepute. Where actions or omissions by exhibitors, contractors or their agents are detrimental to the event (e.g., failure to complete stand construction in the given time or failure to remove said exhibition stand). The Organizers or their appointed contractor reserve the right to take such remedial action that they consider to be necessary (e.g., alteration or termination of the stand building process or removal and disposal of any remaining stand elements without liability) and all costs associated with this will be passed on to the exhibitor. The Organizers reserve the right to make any amendments, additions, or deletions to these Technical Guidelines as they may consider necessary from time-to-time or that they feel appropriate and affirm that these Technical Guidelines and any such changes form part of exhibitors' and sponsors' contractual obligations.

**The Organizers have issued these guidelines for attending MRO ME & AIME in order that all exhibitors at the show will have optimum opportunities to present their exhibits, attract attendees and interested parties to visit their stands.**

These guidelines are binding upon all exhibitors. Please note that it may be necessary to make amendments, revisions or other alterations to these Rules, Regulations and Guidelines.

- The organizers incorporate safety regulations that are intended to provide a high degree of health, safety and welfare for all persons involved with the event.
- The Building Provisions, Fire Protection Regulations and other Safety Regulations involved have been coordinated with the responsible agencies of DWTC.
- As part of your contract to exhibit at the event, you should be aware that checking systems are in place and it is vital that you always implement all the measures in this manual. Furthermore, the applicable legal regulations, as amended from time to time, must be observed at all times.
- Please note that The Organizers reserve the right to prohibit the opening of an exhibition stand or commencement of an event if defects previously identified, or of immediate concern, have not been remedied by the start of the event.
- The Organizers retain the right to issue further or amend existing safety regulations and stand construction standards at any time.
- Forms for ordering services will be accessible online and must be completed in good time –please note that many contactors may charge an increased rate for late submission (i.e., after the highlighted deadline) or that certain services may no longer be available unless ordered on time. The Organizers cannot take any responsibility where late ordering results in any of the above.
- These Technical Guidelines must be forwarded to all your contractors without delay.

### **Smoking Policy**

Smoking is prohibited throughout the halls. There will be a smoke-free policy implemented during all stages of the exhibition. There will be designated smoking areas outside at the back of the venue.

## Catering/Food & Beverage Exhibitor Services

Several food outlets are available within the venue. Exhibitors may order stand catering by contacting the venue. Dubai World Trade Centre (DWTC) is the sole F&B catering provider for the event. No external catering contractors are permitted.

## Cleaning/Waste Exhibitor Services

The organizers will be responsible for cleaning the aisles and general areas in the hall only. It is the exhibitors' responsibility to always maintain their stand space / area in a clean condition.

### **DWTC Mandatory Nightly Cleaning (Space only stands)**

DWTC has a mandatory Nightly housekeeping policy. It is important all space only exhibitors need to place an order to clean your stand.

Nightly cleaning includes:

- Vacuuming or wet mopping.
- Dusting of countertops and furniture
- Emptying of bins
- Glass, walls, and partitions cleaning (except clear acrylic partitions)

The exhibitions hosted at DWTC venues attract more international visitors, exhibitors, and contractors. To maintain the highest level of hygiene and safety, DWTC emphasizes deep cleaning and maintenance of all fronts of house areas as on increased air circulation in the halls. To keep the same standard of care within the halls and to ensure that all stand touch points are included, all space only stand exhibitors will be required to place a nightly standard cleaning order.

## Health, Safety and Security

### Exhibitor Services

It is mandatory for all exhibitors, contractors and all people working or entering the halls during build-up and breakdown to always adhere to the Health & Safety guidelines and wear proper Personal Protective Equipment (PPE).

The minimum and mandatory PPE requirements are:

- High visibility jackets
- Closed protective shoes / Solid soled shoes or boots
- Hard hats (for working at height)

#### **Security**

The Organizers have arranged for 24-hour security guards to patrol the exhibition. However, exhibitors should remember that exhibition halls are vulnerable places and should take appropriate precautions against damage & theft.

In the event of a theft or damage, we must ask you to report all incidents to the Organizer's Office and to Venue Security within 24 hours of the event occurring or becoming known. Any incidents of theft must be reported to the Organizers immediately as it will be necessary to complete a security form and report the incident to the police.

Please note that most hired cabinets have common locks and should NOT be regarded as secure units.

**The Organizers and the venue DWTC will not be held responsible for any loss or damage to stands or exhibits.**

## Insurance Exhibitor Services

The organizers cannot accept responsibility for damage to stands or loss of property on any stand or anywhere else at the exhibition, or during its delivery/removal from the building for any reason whatsoever. Exhibitors are required to carry property and liability insurance in amounts sufficient to cover any losses or liabilities exhibitor may incur in connection with the Show, including without limitation, due to damage or loss to exhibitor's property or injury to the person and/or property of others. Notwithstanding the foregoing and except as otherwise provided in the Exhibitor Resource Center, always that exhibitor has access to the Show grounds, exhibitor shall maintain at a minimum the following insurance from an insurance company rated B+ or above by A.M. Best Company (or equivalent insurance rating agency):

General commercial liability insurance, including contractual liability and advertising injury coverage, with a minimum liability limit of not less than \$1,000,000 combined single limit per occurrence and \$2,000,000 aggregate.

Exhibitor's policy should add Informa Media, Inc. and Informa Business Media, Inc. and their respective affiliates, the applicable Show facility, and/or any other official exhibitor service contractor as additional insureds.

By executing the Agreement, exhibitor represents and warrants that it has all such insurance in effect and that it shall maintain all such insurance at least through exhibitor's occupancy of the exhibit space and the Show facility. If requested by Show Management, the exhibitor shall provide a certificate of insurance evidencing the required coverage.

Your certificate of insurance should be submitted via the [EAC form](#).

## Freight, Shipping & Storage Exhibitor Services

The official on-site freight handler is **Airlink International** and **DSV Fairs & Events** and will be the only companies authorized to perform lifting and forklifting in the hall. Stand build contractors and exhibitors will not be permitted to operate any lifting or access equipment. Any unauthorized lifting or access equipment will be removed from site.

For further information on delivery, transportation and removal of exhibits please contact them directly.

### Deliveries to Site

Deliveries will not be accepted on-site before the following deadlines:

- 08 February 2025 for all heavy or oversized items
- 09 February 2025 for space only exhibitors

## Rigging & Suspension Exhibitor Services

To comply with Dubai Municipality lifting regulations as of 1st September 2016 any company using manual or electric chain hoist within the venue will be required to supply a valid test certificate.

To ensure a smooth transition for any company who may not be aware of these regulations we have attached the following:

1. A list of accredited inspection bodies who carry out inspections, testing and certification.
2. Dubai Municipality regulations for the frequency of testing lifting accessories and lifting equipment.
3. A valid test certificate for reference.

Test certificates should be scanned and sent by email to [Joshi.Das@dwtc.com](mailto:Joshi.Das@dwtc.com) and [Prajith.Bhaskaran@dwtc.com](mailto:Prajith.Bhaskaran@dwtc.com) at least 2 days prior to build-up.

DWTC Rigging Department is the official rigging contractor for MRO ME & AIME. The rigging can be ordered directly to the venue DWTC. Rigging requirements must be submitted along with images of the banner design and a grid scale drawing illustrating the position of the banner in relation to the exhibitor's stand. Please include any rigged items in space only stand designs, risk assessments and method statements

All rigging orders must be placed in advance and take advantage of the early bird rate. Orders submitted after this will be charged at the standard rate and orders placed after the early bird rate and onwards will incur 50% more of the standard rate.

**Hanging banners can stand at 36sqm and above only. The maximum height will be 6m including all banner structure e.g., the top trim height / the top side of all rigged items will be hung at 6m. All rigging will be agreed upon with the venue rigging team onsite.**

DWTC Rigging Department are the only contractors authorized to rig any items within the exhibition halls.

All rigging equipment supplied by the exhibitor must be certified (i.e., shackle and truss wraps). If not, DWTC Rigging Department will supply replacement equipment at an additional cost.

Access to any truss during build-up, open period and breakdown will be by mobile elevation working platform only; the approved rigging company are the only company allowed to operate this.

## Temporary Staff Exhibitor Services

Temporary staff MUST have a valid work permit when working at a show. Failure to provide a permit upon random spot checks by the Dubai Department of Naturalization and Residency will result in fines, per temporary staff member, that the exhibitor has employed.

**Xenial Events** has been appointed to provide a service for the hire of temporary staff, including ushers, hosts, and promoters. Exhibitors wishing to hire staff through the appointed agency can contact them directly using the link provided below. Alternatively, please contact **Alishbah Khan** on [alishbah@xenialevents.com](mailto:alishbah@xenialevents.com) or **+971 50 996 0204**.

### Employment of Labour

UAE Federal Law requires each employer to provide appropriate safety measures to protect workers against all hazards. It is the employer's duty to ensure that work is safe for employees and non-employees who may be affected by that work activity.

### UAE Labour Law – adherence by all

- You must have an Emirates ID together with a photocopy of the UAE visa showing your sponsor's name.
- UAE Labour Law prohibits the hiring or contracting of any illegal laborers.
- Organizers, Exhibitors and Contractors violating this law can be sentenced to one month jail and fined up to AED 50,000 per person.
- The UAE Immigrations Control Department make regular inspections at the venue.
- Venue Security are responsible for the access control to the building, and access will only be granted to those carrying the correct Emirates ID.
- International guests will be required to supply a copy of their temporary visa.

Sub-contracting: It is extremely important that the rules and regulations are adhered to.

Any contractors, who sub-contract, must have an official agreement in writing between the two parties, under the official agreement of "*Subcontract Agreement*" To ensure this document will be accepted by the venue's access control areas, the two parties must have both their company stamps shown on the documentation. All laborers must provide a labor card that endorses their employment with either the contractor or sub-contractor.

**NO EMIRATES ID OR RELEVANT DOCUMENTATION = NO ACCESS**

## Water & Waste Exhibitor Services

All exhibitors and contractors must ensure that they do not discard sharp objects and must ensure that nails and screws are not left sticking out of waste wood – these must be removed or hammered flat. The Organizers are committed to ensuring that the exhibition is as environmentally responsible as possible. Please help us by keeping waste to a minimum, recycling waste where possible and reporting any incidence of fly tipping to the Organizer. If you are a shell scheme exhibitor, your stand will be delivered to you in a clean state in the readiness of the show opening. Any waste generated during your shell scheme's dressing should be placed in the gangways for the cleaning contractor to remove before the show opens.

All waste must be removed from the exhibition hall. Any items of waste or stand fitting left in the hall at the end of the show will be treated as waste and disposed of. Any removal costs will be charged to the exhibitor in question.

Exhibitors are responsible for their own waste removal during build-up and breakdown. The exhibitors' appointed stand contractor(s) should remove the build-up material outside the venue DWTC premises and not inside the marshalling yards. Paint cans should not be thrown inside the skips and should be removed from the venue DWTC premises. The skips area must be kept free to allow uninterrupted access to the venue DWTC. The tenanted space must be vacated with all adhesive tapes, paint and similar traces completely removed.

Water & Waste orders are subject to the organizers and venue approval. Please contact the official supplier GES for information.

# Sustainability & Better Stands

## General Information

### Better Stands

Exhibiting at an MRO event gives you the opportunity to highlight your company’s sustainability credentials and align with an event that champions sustainability. The Better Stands program, introduced by Informa, is aimed to ensure that all core elements of exhibitor stands are reusable and encourage raw space exhibitors, along with their appointed contractors to move away from disposable, sole use stands at events, in Favour of reusable or recyclable structures. By moving away from sole use stands we will improve the ease, safety, and sustainability of the exhibitor experience at our events.

Benefits to you as an exhibitor:

- A better-quality stand that helps you save time and money on new designs & construction
- Ensures a smoother, more efficient, and predictable build and breakdown
- experience with fewer work hours
- Lowers your waste bill and other unpredicted costs
- Demonstrates the sustainable credentials for your brand, highlighting your
- commitment to reducing your environmental impact

The Better Stands program has been divided into three key stages – Bronze, Silver, and Gold. This helps facilitate a gradual transition from disposable to reusable booths for all exhibitors. At Aviation Week Network we are committed to have all raw space stands at BRONZE level as a minimum in 2025.

### Highlights: Terms & Conditions

Aviation Week Network/Informa Markets (“we/our/us”) is committed to making sure that attendees, exhibitors, and sponsors have the best possible experience at our events. Below please find highlighted policies. The complete list of terms and conditions may be found at <https://events.aviationweek.com> If you have any questions please contact [events@aviationweek.com](mailto:events@aviationweek.com).

### Admission

Your registration constitutes an offer to Informa Markets to attend an Event. All registrations are subject to acceptance by Informa Markets. Your registration is issued for your personal use only. You may not procure registrations as an agent for any third party, sell or otherwise transfer your registration to others or exploit your registration commercially or non-commercially in any way. Informa Markets reserves the right without liability to refuse admission to, or to eject from, the Event, any person in its absolute discretion, including (without limitation) any person who fails to comply with these terms and conditions or who, in the opinion of Informa Markets, represents a security risk, nuisance or annoyance to the running of the Event. You agree to comply with all reasonable instructions issued by Informa Markets, the venue owners, security personnel and/or management at the Event. In its sole discretion and without refund, Informa Markets reserves the right to refuse admittance to or expel from the conference anyone that it determines is behaving in a manner that could be disruptive to the conference or any other attendee.

### Child Policy

Our Events are principally directed at business professionals. They are not intended for children under the age of sixteen. Without limitation to the foregoing, there may be some areas of our Events where it is inappropriate or impractical for children under the age of sixteen to be present (for example, during executive conference workshops) and Informa Markets reserves the right at any time to restrict entry to such areas accordingly.

### Registration

Our events require a unique email address to be provided for all registering to attend. This email is to manage the directory of attendees by allowing an exhibitor to scan badged during the event, individuals are consenting to their registration details being shared with these exhibitors

### Noise

Exhibitors are requested to keep the noise level below 55 decibels and must not cause disturbance nor interfere with normal conversation on neighboring stands and/or the public. Any excessive noise emitted within the venue must not be of a noise level that prevents you from hearing any emergency announcements.

**In the case of a dispute, the organizers’ decision is always final.**

## Copyright

Please note that the Organizer (Aviation Week Network and Informa Markets) has no copyright responsibility in respect of any exhibiting company. Exhibitors are reminded that third party copyrights should not be infringed. Proper dispensation must be obtained and any royalties due paid prior to using materials. Should any copyright dispute arise, the Organizer (Aviation Week Network and Informa Markets) will not be liable for any resulting loss, or damages, sustained by any exhibitor or third party.

## Policies

### General Information

#### **Payments**

All bookings made prior to the event must be paid in full to guarantee registration. Once payment has been received, an email confirmation and a receipted invoice will be sent. If payment is not made at the time of booking, registration will be provisional. Bookings received less than (2) two weeks before the conference date can only be paid by credit card.

#### **Cancellation Policy**

Our cancellation policy allows for a refund, less a 20% administrative charge, for cancellations received in writing at least six (6) weeks prior to the first event date. No refunds will be made after this date however you may send a substitute. Any fees not paid by the original registrant will be applied to substitute's fees. By submitting your registration, you authorize Informa to invoice you for any unpaid portion of your registration fee. If a registered delegate does not cancel and fails to attend the conference, this will be treated as a cancellation and no refund or credit will be issued. Should Informa Markets postpone an event, your registration will automatically roll over to the new date. If an event is canceled, a credit will be immediately issued for up to 12 months after the notification of event cancellation, to attend another Informa Markets program of the registrant's choice.
